Such loss, cost or expense shall be deemed to include an amount determined by the Funding Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Eurodollar Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Eurodollar Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for the Borrowing), over (ii) the amount of interest which

would accrue on such principal amount for such period at the interest rate which the Funding Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of the Funding Lender setting forth any amount or amounts that the Holder is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. 13. Transfer. Upon the transfer of this Note, the Holder may deliver all the Collateral, or any part thereof, to the transferee who shall thereupon become vested with all the rights herein or under applicable law given to the Holder with respect thereto, and the Holder shall thereafter forever be relieved and fully discharged from any liability or responsibility in the matter; but the Holder shall retain all rights hereby given to it with respect to any Liabilities (hereinbelow defined) and such collateral not so transferred. The Holder will provide the Borrower with notice of any such transfer.

14. Maximum Permissible Rate. This Note is subject to the express condition that at no time shall the Borrower be obligated or be required to pay interest on the Principal Balance at a rate which could subject the Holder to liability as a result of being in excess of the maximum rate which the Borrower is permitted by law to contract or agree to pay. If by the terms of this Note the Borrower is at any time required or obligated to pay interest on the Principal Balance at a rate in excess of such maximum rate, then the rate of interest under this Note shall be deemed to be immediately reduced to such maximum rate, interest payable hereunder shall be computed at such maximum rate and any prior interest payments made in excess of such maximum rate shall be applied and shall be deemed to have been payments made in reduction of the Principal Balance.

15. Set Off. In addition to any right available to the Holder under applicable law or any other agreement, the Borrower hereby gives to the Holder a lien on, security interest in and right of set-off against all moneys, securities and other property of the Borrower and the proceeds thereof, now or hereafter delivered to, remaining with or in transit in any manner to the Holder, its correspondents or its agents from or for the Borrower, whether for safekeeping, custody, pledge, transmission, collection or otherwise or coming into possession of the Holder in any way, and also, any balance of any deposit account and credits of the Borrower with, and any and all claims of the Borrower against, the Holder at any time existing, as collateral security for the payment of this Note, the Debt and of all liabilities and obligations now or hereafter owed by the Borrower to the Holder in connection therewith, including fees contracted with or acquired by the Holder, whether joint, several, direct, indirect, absolute, contingent, secured, matured or unmatured (all of which are hereafter collectively called “**Liabilities**”), hereby authorizing the Holder at any time or times, after an Event of Default without prior notice, to apply such balances, credits or claims, or any part thereof, to such Liabilities in such amounts as it may select,

whether contingent, unmatured or otherwise and whether any collateral security therefor is deemed adequate or not. The collateral security described herein shall be in addition to any collateral security described in any separate agreement executed by the Borrower. The Holder, in addition to any right available to it under applicable law or any other agreement, shall have the right, at its option, to immediately set off against this Note and/or any other Liabilities all monies owed by the Holder in any capacity to the Borrower, whether or not due, and the Holder shall, at its option, be deemed to have exercised such right to set off and to have made a charge against any such money immediately upon the occurrence of any default or Event of Default contemplated by Section 14 hereof, even though such charge is made or entered on the books of the Holder subsequent to those events.

16. Events of Default. It is hereby expressly agreed that the entire Debt shall become immediately due and payable at the option of the Holder in the event any portion thereof is not paid within ten (10) days after the same is due and payable or on the happening of any default or any event by which, under the terms of this Note, the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument, the Project Loan Agreement or the other Financing Documents, the Debt may or shall become due and payable and that all of the terms, covenants and provisions contained in the Series B Security Instrument, the Project Loan Agreement, the Construction Disbursement Agreement and the other Financing Documents which are to be kept and performed by the Borrower are hereby made part of this Note to the same extent with the same force and effect as if they were fully set forth herein.

17. Default Interest. In addition to any late charges which may be due under this Note, upon the occurrence of an Event of Default, the Borrower shall, unless and until such date, if any, as the Holder may elect, in its sole and absolute discretion, to waive, in writing, all or any portion of such interest, pay interest on the Principal Balance from the date of such default until the date on which the Principal Balance then outstanding is paid in full (whether before or after judgment), at a rate per annum (calculated for the actual number of days elapsed on the basis of a 360-day year) equal to 3.0% plus the then applicable rate provided for in this Note, provided, however, that such interest rate shall in no event exceed the maximum interest rate which the Borrower may by law pay.

18. Authority. The Borrower (and the undersigned representative(s) of the Borrower, if any) represents that the Borrower has full power, authority and legal right to execute and deliver this Note and that this Note constitutes a valid and binding obligation of the Borrower.

19. Joint and Several Obligations. If the Borrower consists of more than one party, the obligations and liabilities of each such party hereunder shall be joint and several.

20. Defined Terms. Whenever used, the singular number shall include the plural, the plural the singular, and the words “**Holder**” and “**Borrower**” shall include their respective successors and assigns, provided, however, that the Borrower shall in no event or under any circumstance have the right, without obtaining the prior written consent of the Holder and Funding Lender, to assign or transfer its obligations under this Note, the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument, the Funding Loan Agreement or the other Financing Documents, in whole or in part, to any other person, party or entity.

21. Headings. The headings and captions of the numbered paragraphs of this Note are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

22. Enforceability. The Borrower acknowledges that this Note and the Borrower's obligations under this Note are and shall at all times continue to be absolute and unconditional in all respects, and shall at all times be valid and enforceable irrespective of any other agreements or circumstances of any nature whatsoever which might otherwise constitute a defense to this Note and the obligations of the Borrower under this Note or the obligations of any other person or party relating to this Note or otherwise with respect to the Bridge Loan. This Note, the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument, the Funding Loan Agreement, and the other Financing Documents set forth the entire agreement and understanding of the Holder and the Borrower, and the Borrower absolutely, unconditionally and irrevocably waives any and all right to assert any setoff, counterclaim or crossclaim of any nature whatsoever with respect to this Note, the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument, the Funding Loan Agreement, and the other Financing Documents or the obligations of the Borrower hereunder and thereunder, or the obligations of any other person or party relating hereto and thereto or to the obligations of the Borrower hereunder or thereunder or otherwise with respect to the Bridge Loan, in any action or proceeding brought by the Holder to collect the Debt, or any portion thereof, or to enforce, foreclose and realize upon the liens and security interests of the Holder in any collateral therefor created by the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument or the other Financing Documents (provided, however, that the foregoing shall not be deemed a waiver of the Borrower's right to assert any compulsory counterclaim maintained in a court of the United States, or of the State of Florida if such counterclaim is compelled under local law or rule of procedure, nor shall the foregoing be deemed a waiver of the Borrower's right to assert any claim which would constitute a defense, setoff, counterclaim or crossclaim of any nature whatsoever against the Holder in any separate action or proceeding). The Borrower acknowledges that no oral or other agreements, conditions, promises, understandings, representations or warranties exist with respect to this Note or with respect to the obligations of the Borrower under this Note, except those specifically set forth in this Note.

23. Waiver. The Borrower waives presentment, demand for payment, notice of dishonor and any or all notices or demands in connection with the delivery, acceptance, performance, default or enforcement of this Note and consents to any or all delays, extensions of time, renewals, release of any party to this Note, the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument, the Funding Loan Agreement, or any other Financing Document, and of any available security therefor, to any party to this Note, the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument, the Funding Loan Agreement, or the other Financing Documents or to the actual holder thereof and any and all waivers or modifications that may be granted or consented to by the Holder with regard to the time of payment or with respect to any other provisions of this Note, the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument, the Funding Loan Agreement, or the other Financing Documents, and agrees that no such action, delay or failure to act on the part of the Holder shall be construed as a waiver by the Holder of, or otherwise affect, in whole or in part, its right to avail itself of any remedy with respect thereto. No notice to or demand on the Borrower shall be deemed to be a waiver of the obligation of the Borrower or of the right of the Holder to take further action without further notice or demand as provided in this Note, the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument, the Funding Loan Agreement, or the other Financing Documents. If the Borrower is a partnership, the agreements herein contained shall remain in force and applicable, notwithstanding any changes in the individuals comprising the partnership, and the term "Borrower", as used herein, shall include any alternate or successor partnerships, but any predecessor

partnership and their partners shall not thereby be released from any liability. (Nothing in the foregoing sentence shall be construed as a consent to, or a waiver of, any prohibition or restriction on transfers of interests in such partnership which may be set forth in the Project Loan Agreement, the Construction Disbursement Agreement, the Series B Security Instrument, the Funding Loan Agreement, or any other Financing Documents.)

24. Amendments. This Note may not be modified, amended, changed or terminated orally, except by an agreement in writing signed by the Borrower and the Holder and consented by the Funding Lender. No waiver of any term, covenant or provision of this Note shall be effective unless given in writing by the Holder and, if so given by the Holder, shall only be effective in the specific instance in which given.

25. Governing Law. This Note is and shall be deemed entered into in the State of Florida and shall be governed by and construed in accordance with the laws of the State of Florida without regard to principles of conflicts of laws, and no defense given or allowed by the laws of any state or country shall be interposed in any action or proceeding hereon unless such defense is either given or allowed by the laws of the State of Florida.

26. Venue and Jurisdiction. The Borrower agrees to submit to personal jurisdiction in the State of Florida in any action or proceeding arising out of this Note. In furtherance of such agreement, the Borrower hereby agrees and consents that without limiting other methods of obtaining jurisdiction, personal jurisdiction over the Borrower in any such action or proceeding may be obtained within or without the jurisdiction of any court located in the State of Florida and that any process or notice of motion or other application to any such court in connection with any such action or proceeding may be served upon the Borrower by registered or certified mail to, or by personal service at, the last known address of the Borrower, whether such address be within or without the jurisdiction of any such court. The Borrower hereby agrees that the venue of any litigation arising in connection with the indebtedness, or in respect of any of the obligations of the Borrower under this Note, shall, to the extent permitted by law, be in State of Florida. Provided, however, nothing in this Note is intended to limit any right that the Holder may have to bring any suit, action or proceeding relating to matters arising under this Note in any court of any other jurisdiction.

27. Borrower's Acknowledgement. The Borrower acknowledges that: (a) it is a knowledgeable real estate investor, (b) it fully understands the effect of the waivers set forth in this Note, (c) the making of the Bridge Loan evidenced by this Note at the interest rate set forth in this Note is sufficient consideration for such waivers, and (d) the Governmental Lender would not make the Bridge Loan and the Funding Lender would not originate the Funding Loan without such waivers.

28. Waiver of Special Damages. To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against the Holder, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Note or any agreement or instrument contemplated hereby, the transactions, the Bridge Loan or the use of the proceeds thereof.

29. WAIVER OF JURY TRIAL. THE BORROWER HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY IRREVOCABLY WAIVES, TO THE FULL EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL

BY JURY IN ANY LEGAL PROCEEDING, DIRECTLY OR INDIRECTLY, ARISING OUT OF OR RELATING TO THIS NOTE OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). THE BORROWER HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE HOLDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE HOLDER WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE AUTHORITY HAVE BEEN INDUCED TO ENTER INTO THE LOAN TRANSACTION BY, AMONG OTHER THINGS, THE WAIVER AND CERTIFICATIONS IN THIS SECTION.
