Resolution No. 2019-03 of the Housing Finance Authority of Manatee County, Florida, is hereby amended and restated in its entirety to read as follows:

WHEREAS, Palmetto Leased Housing Associates I, LLLP, a Florida limited liability limited partnership (the "Company") has applied to the Housing Finance Authority of Manatee County, Florida (the "Authority") to (i) issue its Multifamily Housing Revenue Bonds, Series 2019 (Palmetto Senior Apartments Project) in a principal amount not to exceed \$31,000,000 (the "Bonds") for the purpose of financing a portion of the costs of the acquisition, construction, equipping and development of a 224 unit multifamily residential housing facility known as "Palmetto Senior Apartments" for persons or families of low, middle or moderate income, to be located in Palmetto, Florida (the "Project"), and (ii) to loan the proceeds of the Bonds to the Company pursuant to Chapter 159, Part IV, Florida Statutes, or such other applicable provision or provisions of Florida law (the "Act"); and

WHEREAS, the Company has reviewed the Memorandum of Agreement relating to the issuance of the Bonds, attached hereto; and

Such public hearing, which will occur prior to the adoption of this Resolution, will be conducted in a manner that provides a reasonable opportunity for persons with differing views to be heard, both orally and in writing, on both the issuance of such Bonds and the location and nature of the portion of the Project to be financed with the proceeds therefrom; and

WHEREAS, it is intended that this Resolution shall constitute official action toward the issuance of the Bonds within the meaning of the Internal Revenue Code of 1986, as amended, and applicable United States Treasury Regulations.

IT IS, THEREFORE, DETERMINED AND RESOLVED BY THE HOUSING FINANCE AUTHORITY OF MANATEE COUNTY, FLORIDA, THAT:

1. **APPROVAL OF THE PROJECT.** The acquisition, construction, equipping and development of the Project and the financing thereof by the Authority through the issuance of the Bonds, pursuant to the Act, will promote the health and welfare of the citizens of Manatee County, Florida, and will thereby serve the public purposes of the Act.

3. **AUTHORIZATION OF THE BONDS.** Subject to the terms and conditions set forth herein and in the Memorandum of Agreement attached hereto, there is hereby authorized to be issued and the Authority hereby determines to issue the Bonds, if so requested by the Company, in one or more issues or series in an aggregate principal amount not to exceed \$31,000,000 for the purpose of financing a portion of the Project described in such Memorandum of Agreement. The Bonds shall be designated the "Housing Finance Authority of Manatee County, Florida Multifamily Housing Revenue Bonds, Series 2019 (Palmetto Senior Apartments Project)".

6. **AFFIRMATIVE ACTION.** This resolution is an affirmative action of the Authority toward the issuance of the Bonds, as contemplated in said Memorandum of Agreement, in accordance with the purposes of the laws of the State of Florida and the applicable United States Treasury Regulations with respect to the Bonds.

9. **LIMITED OBLIGATIONS.** The Bonds and the interest thereon shall not constitute an indebtedness or pledge of the general credit or taxing power of the Authority, the City of Palmetto, Florida, Manatee County, the State of Florida or any other political subdivision or agency thereof but shall be payable solely from the revenue pledged therefor pursuant to a project loan agreement or other financing agreement entered into by and between the Authority and the Company prior to or contemporaneously with the issuance of the Bonds.

10. **LIMITED APPROVAL.** The approval given herein shall not be construed as an approval of any necessary zoning applications nor for any other regulatory permits relating to the Project, and the Authority shall not be construed by reason of its adoption of this Resolution to have waived any right of the County and/or of any city in which the proposed Project is to be located or to have estopped the County and/or such city, if any, from asserting any rights or responsibilities it may have in that regard. In the event that any of the foregoing events shall not take place, if applicable, or shall occur or take place, if applicable, it shall operate as a termination of this Resolution and the Memorandum of Agreement.

11. **BOND ALLOCATION.** Upon a determination by the Authority as set forth in the Memorandum of Agreement to request private activity allocation with respect to such Bonds, the Chairman, 1st Vice Chairman, 2nd Vice Chairman, 3rd Vice Chairman or Authority's Counsel are hereby authorized to execute all necessary documents for obtaining and preserving an allocation from the State of Florida, Division of Bond Finance upon request by the Company.

This Resolution shall take effect immediately.

**MEMORANDUM OF AGREEMENT FOR ISSUANCE
OF MULTIFAMILY HOUSING REVENUE BONDS**

This Agreement between the Housing Finance Authority of Manatee County, Florida (the "Authority"), a body corporate and politic of the State of Florida and Palmetto Leased Housing Associates I, LLLP (the "Company"), a Florida limited liability limited partnership organized and validly existing under the laws of the State of Florida.

W I T N E S S E T H:

1. PRELIMINARY STATEMENT. Among the matters of mutual understanding which have resulted in the execution of this Memorandum of Agreement are the following:

(a) The Florida Housing Finance Authority Law (Chapter 159, Part IV, Florida Statutes), as amended, and other provisions of applicable law (the "Act") and the policies and procedures of the Authority in effect on the date hereof (herein "Authority Guidelines") provides that the Authority may issue its revenue bonds and notes and loan the proceeds thereof to one or more persons, firms or private corporations, or use such proceeds to defray the cost of acquiring, by purchase or construction, certain qualifying facilities.

(b) The Company is considering acquiring, constructing, equipping and developing a 224 unit multifamily residential housing facility known as Palmetto Senior Apartments for persons or families of low, middle or moderate income (the "Project") to be located within the boundaries of the City of Palmetto, Florida. It is estimated that the cost of the acquisition, construction, equipping and development of the Project will be in excess of \$31,000,000.

(c) The Authority intends this Memorandum of Agreement to constitute its official binding commitment, subject to the terms and conditions set forth herein and in the Resolution authorizing the Authority to enter into this Memorandum of Agreement, to issue its Multifamily Housing Revenue Bonds in a principal amount not to exceed of \$31,000,000 (the "Bonds") in one or more series or issues pursuant to the Act and Authority Guidelines in an amount to be agreed upon by the Authority and the Company and to loan the proceeds thereof to the Company, and to use such proceeds to finance a portion of the cost of acquiring, constructing, equipping and developing the Project, including all costs incurred in connection with the issuance of the Bonds by the Authority, up to an amount not to exceed \$31,000,000.

(d) The Authority considers the issuance and sale of the Bonds, for the purpose hereinabove set forth, consistent with the objectives of the Act. This commitment is an affirmative official action of the Authority toward the issuance of the Bonds as herein contemplated in accordance with the purposes of the Act, the Internal Revenue Code of 1986, as amended, and the applicable United States Treasury Regulations.

2. UNDERTAKINGS ON THE PART OF THE AUTHORITY. Subject to the

terms and conditions set forth herein and in the Authority's Resolution dated October 8, 2019 (the "Inducement Resolution") authorizing the Authority to enter into this Memorandum of Agreement, the Authority agrees as follows:

(a) The Authority will authorize the issuance of the Bonds in the aggregate principal amount necessary and sufficient to finance a portion of the cost of acquiring, constructing, equipping and developing the Project as the Authority and the Company shall agree in writing, but in all events, the principal amount of such Bonds shall not exceed \$31,000,000.

(b) The Authority will cooperate with the Company and purchaser(s) of the Bonds and the Authority's Counsel with respect to the issuance and sale of the Bonds and will take such further action and authorize the execution of such documents as shall be mutually satisfactory to the Authority and the Company for the authorization, issuance and sale of such Bonds and the use of the proceeds thereof to finance the cost of acquiring, constructing, equipping and developing the Project.

(c) Such actions and documents may permit the issuance from time to time in the future of additional Bonds on terms which shall be set forth therein, whether *pari passu* with the Bonds, for the purpose of defraying the cost of completion, enlargements, improvements and expansion of the Project, or any segment thereof, or refunding of the Bonds.

(d) The project loan or financing agreement(s) (the "Project Loan Agreement") among the Authority, the Company and the fiscal agent (or trustee) shall, under the terms agreed upon by the parties, provide for payments to be made by the Company in such sums as shall be necessary to pay the amounts required under the Act, including the principal of and interest and redemption premium, if any, on the Bonds, as and when the same shall become due and payable.

(e) In authorizing the issuance of the Bonds, the Authority will make no warranty, either expressed or implied, that the proceeds of the Bonds will be sufficient to pay all costs of acquiring, constructing, equipping and developing the Project, or that those facilities encompassed by the Project will be suitable for the Company's purposes or needs.

(f) The Bonds shall specifically provide that they are payable solely from the revenues derived from the applicable Project Loan Agreement or other agreements approved by the Authority, except to the extent payable out of amounts attributable to Note proceeds. The Bonds and the interest thereon shall not constitute an indebtedness or pledge of the general credit of the Authority, the City of Palmetto, Florida, Manatee County, or of the State of Florida, or any other political subdivision of the State of Florida and such fact shall be plainly stated on the face of the Bonds.

(g) Due to the tax exempt volume cap limitations established by the State of Florida on the issuance of tax exempt obligations, the Authority reserves the right, in its sole and absolute discretion, to determine if, in what amount, and when to file a Request for Allocation for the Project with the State of Florida Division of Bond Finance. Subject to the foregoing, at any time after receipt of this Memorandum of Agreement properly executed by

the Company (but before the expiration date), the Authority may file with the State of Florida Division of Bond Finance a Request for Allocation. Nothing contained herein shall be deemed to be a guarantee of the tax-exempt private activity allocation for the Company's Project.

(h) The Company has advised the Authority of the need to proceed timely to develop the Project. In that regard, assuming that the proposed financing of the Project and other matters are ultimately worked out and acceptable to the Authority, including a satisfactory third-party credit underwriting review, the Authority is desirous of assisting the Company in the financing of the Project. Accordingly, the Authority is entering into this Memorandum of Agreement so as to assist the Company in obtaining its financing for the Project. However, it is specifically understood and agreed by the Authority and the Company that the Authority, in its sole discretion, reserves the right not to issue the Bonds if it does not ultimately approve the financing, including approval of the financing documents.

(i) Nabors, Giblin & Nickerson, P.A., Bond Counsel, has, upon review of the Company's application, determined that the Project is suitable for tax-exempt financing.

3. **UNDERTAKINGS ON THE PART OF THE COMPANY.** Subject to the terms hereof, the Company acknowledges and agrees as follows:

(a) Although the Authority has approved the proposed Project, it has reserved the right, in its sole and absolute discretion, to determine whether or not to proceed with the issuance of the Bonds as set forth in Section 2(h) above. The Company acknowledges, understands and agrees that the Authority retains said right.

(b) Unless the volume cap received is turned into carry-forward, the Company has been advised that the State of Florida has adopted rules and regulations regarding the use of allocations and requires that an issuer issue its Bonds in substantially the entire amount of the allocation within one hundred and fifty-five (155) days from the date of the granting of an allocation, unless it is extended under certain circumstances.

(c) The Company will use reasonable efforts to ensure that the Bonds in the aggregate principal amount as stated above are timely sold; provided, however, that the terms of such Bonds and of the sale and delivery thereof shall be mutually satisfactory to the Authority and the Company.

(d) Prior to the issuance of the Bonds in one or more series or issues from time to time as the Authority and the Company shall agree in writing, the Company will enter into the applicable Project Loan Agreement with the Authority, the terms of which shall be mutually agreeable to the Authority and Company, providing for the loan or use of the proceeds of the Bonds, as applicable, to finance a portion of the Project. Such agreement will provide that the Company will be obligated to pay the Authority (or pay to the fiscal agent or trustee for holders of the Bonds on behalf of the Authority, as the case may be) sums sufficient in the aggregate to enable the Authority to pay the principal of and interest and redemption premium, if any, on the Bonds, as and when the same shall become due and payable, and all other

reasonable expenses related to the issuance and delivery of the Bonds. The Company will agree in such documents that if the cost of acquisition and construction of the Project exceeds the amounts allocated therefor, it shall not be entitled to any reimbursement for any such excess either from the Authority, the Bondholders or the fiscal agent for the Bondholders.

(e) The Company shall be responsible for and timely pay the Commitment Fee required by the Authority Guidelines, the issuance fee in effect at the time the Bonds are issued and the reasonable fees and costs of Counsel to the Issuer, the reasonable fees and costs of Bond Counsel to the Authority, the reasonable fees and expenses of the Authority's co-financial advisors, plus such other reasonable fees and costs as may be required.

(f) The Company shall, in addition to paying the amount set forth in the Project Loan Agreement, pay all costs of operation, maintenance, taxes, governmental and other charges that may be assessed or levied against or with respect to the Project.

(g) The Company will hold the Authority free and harmless from any loss or damage and from any taxes or other charges levied or assessed by reason of any mortgaging or other disposition of the Project.

(h) The Company will take such further action as may be required to implement its aforesaid undertakings and as it may deem appropriate in pursuance thereof.

(i) All fees and costs that the Company is required to pay, including but not limited to, the issuance fee, and counsel fees and costs not paid at the time of application shall be paid in full at the time of the sale and delivery of the Bonds.

(j) The number of multi-family units to be constructed by the Company will not decrease more than five (5%) percent from the number of multi-family units that it represented that it would construct in its Application to the Authority that resulted in the issuance of the Inducement Resolution and this Memorandum of Agreement.

(k) The closing of the sale of the Bonds shall occur on or before one hundred and fifty days from the date of the granting of a tax exempt volume allocation, unless extended by the Authority at its sole and absolute discretion. In the event that the closing on the sale of the Bonds does not occur on or before said time, and the Authority chooses not to extend the closing date, the Company shall have no further rights under this Memorandum of Agreement. Further, in such event, the Authority may apply for and use the tax exempt volume allocation, if available, for the funding of such other multifamily housing projects or single family housing as it deems best serves the interests of the residents of Manatee County, Florida.

(l) The ownership and control of the Company and its principals shall not vary more than five (5%) percent from what has been represented in the Company's Application to the Authority without the prior written consent of the Authority, excluding the admission of a tax-credit limited partner to the Company and as otherwise specifically approved by the Authority.

(m) The Company and its principals shall have fully and timely complied with the terms of the Authority Guidelines, including, but not limited to the timely payment of all fees and costs due to the Authority, its Counsel and its Bond Counsel.

(n) The Company and certain related parties or guarantors as determined by the Authority shall be required to enter into an environmental indemnity and certain other guaranties.

4. **GENERAL PROVISIONS.** All commitments of the Authority under Section 2 hereof and of the Company under Section 3 hereof are subject to the conditions that the following events shall have occurred not later than one hundred and fifty-five days from the date of receipt of a tax exempt volume allocation, or such other date as shall be mutually satisfactory to the Authority and Company:

(a) The Authority shall be lawfully entitled to issue the Bonds as herein contemplated.

(b) The Authority and Company shall have agreed on mutually acceptable terms for the Bonds and the sale and delivery thereof and mutually acceptable terms and conditions of any trust instrument in respect thereto and Project Loan Agreement(s) or other agreements incidental to the financing or referred to in Sections 2 and 3 hereof.

(c) Such other rulings, approvals, consents, certificates of compliance, opinions of counsel and other instruments and proceedings satisfactory to the Company and to the Authority as to such matters with respect to the Bonds the Project, the Project Loan Agreement, a funding loan agreement and any other instrument, as shall be specified by the Company or the Authority, shall have been obtained from such governmental, as well as non-governmental, agencies and entities as may have or assert competence or jurisdiction over or interest in matters pertinent thereto and shall be in full force and effect at the time of issuance of the Bonds.

(d) The Company and the Authority each reserve the absolute right to unilaterally cancel this Memorandum of Agreement at any time prior to the time the Bonds are issued by the Authority upon written notice of cancellation. The Authority Guidelines will govern the treatment of fees already paid by the Company.

(e) If the events set forth in this Section 4 do not take place within the time set forth or any extension thereof, or if the Company exercises its right of cancellation as set forth in this Section 4, the Company agrees that it will reimburse the Authority for all the reasonable and necessary direct or indirect expenses which the Authority may incur at the Company's request arising from the execution of this Memorandum of Agreement, and the performance by the Authority of its obligations hereunder, including legal fees and expenses for counsel to the Authority, the reasonable fees and expenses of the Authority's co-financial advisors and Bond Counsel. In addition, the Authority shall be entitled to keep all fees paid to it pursuant to the Authority Guidelines.

(f) The Company acknowledges that the Authority may, during the time this Memorandum of Agreement is in effect, issue similar "inducement" agreements to other companies for other multifamily housing projects, and/or may issue bonds or notes or participate jointly with other authorities to issue bonds for single family housing. This Memorandum of Agreement will create no priority or rights vis-a-vis subsequent agreements for the issuance of multifamily or single family housing bonds or other indebtedness.

(g) The Authority shall have obtained the consent of the Manatee County Board of County Commissioners as to the issuance of the Bonds. Further, the Authority shall have obtained private activity allocation sufficient to allow the issuance of the Bonds from the State of Florida Division of Bond Finance.

5. **BINDING EFFECT.** All covenants and agreements herein contained by or on behalf of the Authority and the Company shall bind and inure to the benefit of the respective successors and assigns of the Authority and the Company whether so expressed or not.

6. **REPEAL OF PRIOR AGREEMENT.** This Agreement supersedes that certain Memorandum of Agreement for Issuance of Multifamily Housing Revenue Bonds, dated as of May 28, 2019, between the parties hereto, which is hereby repealed.

IN WITNESS WHEREOF, the parties hereto have entered into this Agreement by their officers thereunder duly authorized as of the 8th day of October, 2019.
