Subject: RE: [EXTERNAL] RE: Name Change - Reef at Riviera

Hi Angela,

Please accept this email as formal written request for the name change of “Palmetto Senior New Construction” in favor of “Reef at Riviera Apartments”.

On December 6th, 2018 (and subsequently updated from time-to-time) we submitted an initial application for tax exempt bonds under the name “Palmetto Senior New Construction”. As this is a new construction apartment community the marketing name was not known at that time. In the goal of determining the HFA’s interest in providing critical resources to this project the application was submitted prior to deciding the marketing name. We have now decided on a marketing name we would like to propose to the HFA and are requesting that they consider this change.

Thank you - Devon
